[BAHRAIN] TRA APPROVES RADIO SPECTRUM FOR FASTER WI-FI 6 TECHNOLOGIES

The Telecommunications Regulatory Authority of Bahrain (TRA) announces that Internet users in the Kingdom will soon be able to benefit from faster and more efficient Wi-Fi 6 technologies, allowing them to enjoy the full capabilities of both fibre and 5G.

This is in line with the Kingdom's adoption of radio spectrum ranges 5470 – 5725 MHz and 5925 – 6425 MHz for Wi-Fi 6 and Wi-Fi 6E applications.

【沙烏地阿拉伯】儲水式電熱水器/室內電暖器/延長線組新標準強制日期延後

沙烏地阿拉伯標準局(SASO)針對2021年8月20日發布的第4896號決議中提到的儲水式電熱水器/室內電暖器/延長線組，將其最新SASO標準實施日由原訂2022年2月21日延後至**2023年3月1日**。

S/N	產品	現有標準	最新標準	原定強制日期	更新強制日期
1.	儲水式電熱水器 Electric Storage Water Heaters	SASO GSO 1858:2012 SASO GSO 1859:2012 SASO UL 174:2008 SASO UL 1453:2008	SASO IEC 60335-2-21:2021	2022/02/21	2023/03/01
2.	室內電暖器 Electric Room Heaters	SASO GSO IEC 60335-2-30:2020	SASO IEC 60335-2-30:2021	2022/02/21	2023/03/01
3.	延長線組 Electric Cord Extension Sets	SASO 2815:2010	SASO 2815:2021	2022/02/21	2023/03/01

新標準強制日過渡期表列如下：

- 自2023年3月1日起，上述電器只有在符合新標準後才能核發PCoC和SCoC證書。已持有PCoC證書者，於2023年3月1日之後仍需提供報告更新證書，以確保後續簽發SCoC前已符合新標準。
- 自2023年6月1日起，沙國海關將不允許不符合新標準的上述電器產品通關 (即使是在沙國當地生產也同樣強制)。
- 自2024年8月1日起，不符合新標準的上述電器產品將被禁止在沙國市場販售。

[SAUDI ARABIA] ENFORCEMENT OF NEW STANDARDS FOR CERTAIN ELECTRICAL APPLIANCES

SASO has advised Intertek of the revised enforcement timeline for the below listed new Standards for certain Electrical Appliances.

- **SASO IEC 60335-2-21:2021 for Electric Storage Water Heaters**
- **SASO IEC 60335-2-30:2021 for Electric Room Heaters**
- **SASO 2815:2021 for Electric Cord Extension Sets**

If you are a Manufacturer, Exporter or Distributors of any of the above-mentioned Electrical Appliances:

- From 1st March 2023, Intertek will not issue Product Certificates of Conformity (P-CoCs) and Shipment Certificates of Conformity (S-CoCs) for the above-mentioned Electrical Appliances unless they comply with the requirements of the new Standards. If you have an existing P-CoC which remains valid after 1st March 2023 you must ensure that all Technical Files such as Test Reports comply with the new Standards.
- Starting from 1st June 2023, KSA Customs will not allow entry of these Electrical Appliances into the market unless they conform to the new Standards. The new Standards will also be mandatory for these Electrical Appliances manufactured within KSA.
- Starting from 1st August 2024, you cannot place Electric Storage Water Heaters, Electric Room Heaters or Electric Cord Extension Sets in the Saudi market unless they conform to the new Standards.
